Dear Sir

We acknowledge with grateful thanks receipt of the following alms very graciously donated to our Children educated in our residential Child Labour Rehabilitation Centre at Bachupally.

Food items received

1. Rice-26 Quintals 2. Cooking Oil-90 Litres 3. Toor Dal-150 kilos

Very glad to inform you that the quantity of food items you have very kindly donated will provide sufficiently for the essential nutrition needs of 300 underprivileged Children sheltered in our facility and this comes at a time we are going through a Resource Crunch on account of reduced Corporate Giving triggered by Global Recession, insufficient Budget Provisions and inordinate delays in the release of Government Grants. Your generous donation therefore could not have come at a better time and it makes the children breathe easier for a month

It will not be out of place for me to also fondly recall and appreciate the very precious donations your Parent company SHV INDIA has made to CHORD towards its Social Initiatives that have strengthened our hands in reaching out thousands of needy children and their families. Be it building Infrastructure (Residential school building for 300 children at Bachupally children that will educate generations to come) for scaling our operations, In-kind donations to children, Volunteering time by your staff to teach and interact with our children or Matching employee donations for programmatic support SUPER GAS has always been very reliable and valued social partner for the **past seven years.**

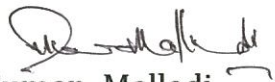

Consequently also by making immensely meaningful donations you have doubtlessly been a key partner in the growth and development of CHORD. Besides sharing similar social values I strongly believe that our partnership with Super Gas is founded on mutual respect and trust and this collaboration will continue to enrich the lives of many more disadvantaged children and their families in the days to come

Please accept our deepest appreciation and grateful thanks for the magnanimity you have demonstrated over the years in lighting up the lives of the poor and needy

Regards'

Yours Sincerely
